

NEW MATERIALS – December 2009

The Sladen Library purchased the following new library items in **December 2009**. They are all available for check-out for a three-week period. Previous editions of this list are available on the [New Materials Archives](#) on our web page. You can check the Sladen Library [Online Card Catalog](#) for other books of interest. The [Sladen Electronic Books](#) web page has instructions on accessing the full-text of these books.

We welcome your suggestions. If you have a book, journal or audiovisual you would like to recommend for the Sladen Library collection, please submit your selection using the [Submission Form](#) on our web site.
